

*"Self-regulation begins with good governance"*

*Strengthening good governance is critical to an organization's growth.*

**Aim:** The *"Effective Leadership and Good Governance"* workshop offers a unique opportunity for developing competences for steering structural changes taking place in public services and thus creating a mind set of governance leading to transparency, accountability, ethical excellence and responsiveness in carrying out organizational functions.

- Objectives:**
- Understanding the link between Effective Leadership and Good Governance
  - Understand ethical Leadership in fostering good governance
  - Develop skills for effective and transformational leadership in promoting good governance
  - Understand key accountabilities and responsibilities associated with leadership
  - Understanding the role of leadership in promoting good governance
  - Obtain a clear understanding of the critical role of effective leadership, good governance and their tenets play in the development process

**Who should attend:** Senior officers and executive leaders and those being groomed to assume leadership roles.

**Fees:** USD 4,500 to cover workshop material, health breaks and excludes travel, accommodation and any incidental costs. Absentees will be charged the full course fees.

**Venue:** Dubai, United Arab Emirates, Sheraton Creek

**Dates:** 19th — 28th September , 2011
