Transformational Leadership for Women's Empowerment Course

RATIONALE

In a world environment which is becoming increasingly globalised, uncertain and unpredictable, the importance of effective leadership and organizational management cannot be ignored. Women are now entering the work place in unprecedented numbers and now beginning to hold senior leadership positions in all sectors.

These new women leaders may have professional and tertiary education or may have risen from rank and file positions. Their background may provide an extensive of knowledge of their own professions and its concerns or technical expertise, but they may find themselves in senior managerial and leadership positions without much prior exposure and training in leadership and management skills.

COURSE OBJECTIVES

Participants will be able to:

- To enhance knowledge and understanding of leadership and organisational management
- To explore the different managerial and leadership styles, personal values and uses of power in the organisation.
- To develop an awareness of significance of strategic management in view of the new challenges faced by civil society in today's environment
- To examine their own leadership skill-set and areas necessary for enhancement in order to be more effective in the organisation .
- To understand the significance of relationship management and networking skills in order to be an effective leader

COURSE FEE: USD. 1500.00 (To cover tuition, certification and health breaks).

DURATION AND METHOD

Alternation of short "theory" sequences with workshops in groups during sessions and emphasis on real cases – examples of real cases.

DATES: 1st -5th March, 2010

8:00 am - 05:00 pm

VENUE: Naura Spring Lodge, Arusha.
